ABSTRACT

There is sole Equal & Opposite Manifested Nature. This Equal & Opposite Manifested Nature was revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings. So, 'Equal & Opposite' is the Apriori Framework of Natural Science. Un-contradicted facts of this equal & opposite manifested nature such as Four Basic Fields – Four Basic Forces – Four Cardinal Directions – Four Gross Elements of Helium-4 Atom, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, and Solar System were also revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings. So, un-contradicted facts of this equal & opposite manifested nature are called apriori sciences [pure sciences unmixed with man-made technologies]. This equal & opposite manifested nature is the one – common – comprehensive – unerring – legitimate – open text of Newton's Laws [Tawraat or Kalamaallaahi or Vyapti or Justifiable Philosophy] and Einstein's Sciences [Injiil or Aayaatillaahi or Paksa-Dharmata or Verifiable Science]. There is a difference between science and technology. Natural Mechanism such as Natural Magnetism or Sunlight is called Science. Man-made Mechanism such as Man-made Magnetism or Lamplight is called Technology. Science [Natural Mechanism such as Natural Magnetism] is prior to Technology [Man-made Mechanism such as Man-made Magnetism]. It is our Inalienable Human Rights to communicate [share & receive] Science [Natural Mechanism such as Alteration of Day & Night in a Day or Natural Magnetism] without a Broken Bar.

Keywords— Universe, Galaxy, World, Earth, Ascending Stairways, Sirius Binary System, Sirius A and White Dwarf Companion Sirius B, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], and Nine Planets as Nine Eye Opening Evidences

1. BACKGROUNDS

Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules]: Two contradictories [rival hypotheses or alternatives] cannot be true together or false together from the point of view of four fundamental categories of knowledge [such as space, time, substance, and causality]. The truth of one categorically implies the falsity of its rival hypothesis, and conversely. If Set – A [Identified UNO-Phobia] is recognized & confirmed as a Set of Pure Sciences Unmixed with Man-made Technologies [Neutral Sciences free from all Established Fallacies], then Set – B [Searched out Islam-Phobia] is nothing but a Set of conjectures of Jamir Ahmed Choudhury well known in the academic community [*Ref. Letter No. NAS/39/5/2017-18 dated 17/5/2017 (Page – 434 of 'UNO's Contributions' published by Notion Press)*]. If finite rational beings [including global scientific community referred by NCERT – India and Islamic Scholars] fail to falsify & reject Set – B [Searched out Islam-Phobia] identifying lacunae in the Logical Thread [Equal & Opposite Apriori Framework of Natural Science] and proving fallacies in the searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Apriori Sciences, Natural Sciences, Neutral Sciences, Infallible & Unerring Revelations, Common Sciences, Basic Sciences, Primary Sciences, Positive Sciences, Objective Sciences, Independent Sciences, or Pure Sciences Unmixed with Man-made Technologies], then projected & communicated Set – A [Identified UNO-Phobia] is nothing but a Set of Invented Lies & Introduced Falsehoods of the Global Scientific Community referred by NCERT – India. **These are Infallible & Unerring Mandates** [Verifiable Scientific Quotes & Justifiable Logical Rules]. Finite rational beings [including the global scientific community referred by NCERT – India and so-called Islamic Scholars] do not have any authority over these Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules].

It is necessary to inform that the concerned authorities from the local level [Inspector of School, Hailakandi District, Assam, India] to the United Nations [UNESCO, UNICEF, UN-DESA, OHCHR, IHRC, WPMO, and Hon'ble Secretary General of UN] failed to falsify & reject Set – B [Searched out Islam-Phobia] identifying lacunae in the Logical Thread [Equal & Opposite Apriori Framework of Natural Science] and proving fallacies in the searched out Un-contradicted Facts of this Equal & Opposite

Manifested Nature [Apriori Sciences, Natural Sciences, Neutral Sciences, Infallible & Unerring Revelations, Common Sciences, Basic Sciences, Primary Sciences, Positive Sciences, Objective Sciences, Independent Sciences, or Pure Sciences Unmixed with Man-made Technologies]. More than 1000 formal documents will justify the absolute failure of the concerned authorities from the local level to the United Nations [UN]. Each black & white formal document must have existential import before Respected Lawyers and Hon'ble Judges of this Equal & Opposite Manifested Nature. In this connection, a few scanned documents have been included in my two internationally published books – 'UNO's Contributions' and 'Science & Constitutions'. [Specific References – Pages – 248 to 569 of 'UNO's Contributions' published by Notion Press with ISBN: 978-1-64899-974-1 and Pages – 93 to 570 of 'Science & Constitution' published by Notion Press with ISBN: 978-1-64899-992-5]

Rights & Duties: It is the Assigned Constitutional Duty & Moral Responsibility [Duty for Duty's sake] of the concerned authorities to the Govt. [such as concerned Ministers, Scientists of NASI and Scientists of DST, competent academic authorities of NCERT/SCERT, competent academic authorities of UGC/NAAC, concerned authorities of CU Bureau / SE Bureau, concerned authorities of the Department of Higher Education / the Department of School Education & Literacy, concerned authorities of the Department of Social Justice & Empowerment / the Department of Justice, concerned authorities of NHRC/NCPCR, concerned authorities of NCM/NCMEI, concerned authorities of Assam State Commission for Protection of Child Rights, or concerned authorities of the Department of AR & PG] to take required steps / to make necessary arrangements with a view to provide us recognition/confirmation of one of the contradictory Sets [either Set – A or Set – B] as Vidya [Wisdom or Unerring Knowledge or Universal & Necessary Knowledge or Human Rights & Universal Education or Sarva Siksha or Pure Sciences Unmixed with Man-made Technologies] as per 'Science Education in correspondence to Reality' mentioned in Page – 27 of our NCF – 2005, 'Ensured Quality Education' mentioned in Section – 29 of the RTE Act – 2009, 'Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC, 'A World Fit for Children' adopted on UN General Assembly – 2002, 'Human Rights & Universal Education' mentioned on UNESCO's Contributions, and 'Quality Education' mentioned in the Draft prepared for our National Education Policy – 2019.

Simultaneously, it is also the Assigned Constitutional Duty & Moral Responsibility [Duty for Duty's sake] of the concerned authorities to the govt. [both concern ministers and respective authorities] to take required steps / to make necessary arrangements with a view to erase the Set of Invented Lies & Introduced Falsehoods from the Framework & Curriculum of Basic Science. Success of our concerned authorities to the govt. will manifest clearly the **Greatest Safai Abhiyan** throughout the history of projected & communicated anti-natural epistemology & global standards.

It is our fundamental duty & moral responsibility [duty for duty's sake] to place scientific issues [rival hypotheses or contradictories] before concerned authorities to the govt. [both concern ministers and respective authorities] seeking constitutional remedies [authentic solutions] under grievance redress mechanism. It is also our uncompromising constitutional rights to demand 'Justice' with our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Religious Rights of my Family Members) and Uncompromising Constitutional Rights (specifically Guaranteed Rights of my Children)]. It is the Assigned Constitutional Duty & Moral Responsibility [Duty for Duty's sake] of the concerned authorities to the govt. [both concern ministers and respective authorities] to do 'Justice' with Verifiable Contents & Justifiable Contexts of our Self-explanatory Grievance Petitions within the Stipulated Time Period under Grievance Redress Mechanism. We are to remember that **Rights and duties** are closely related and cannot be separated from one another. These are the two sides of the same coin [Ref. Pythagorean Number – 'Line – Two']. For every **right**, there is a corresponding **duty**. In this connection, we had placed hard copies of my internationally published books and more than 3000 self-explanatory grievance petitions before concerned authorities under grievance redress mechanism. More than 1000 formal documents will justify our selfless endeavours since 2016.

Our Formal & Legitimate Rights [Solidified Solid Human Rights]: It is our Apriori Rights to communicate [share & receive] Equal & Opposite Apriori Framework of Natural Science. It is our Inborn Human Rights to communicate [share & receive] Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Four Basic Fields – Four Basic Forces – Four Cardinal Directions – Four Gross Elements of Helium – 4 Atom, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Manifested Sign & Scientific Proof of Natural Magnetic Directions, Morning Show & Evening Show of the Sister Planet Venus, Einstein's Binary Pulsar, Periodic Motion of the Planet Uranus of each Zone, Newton's Visual Binaries, Manifested Region of the Prime Meridian, and Kepler's Minor Axis – Semi-major Axis – Major Axis etc. without Broken Bar. UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Uncompromising Constitutional Rights] has formally recognized our Apriori Rights and Inborn Human Rights. Now, it is our **Solidified Solid Human Rights** to communicate [share & receive] Equal & Opposite Apriori Framework of Natural Science and Searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Four Basic Fields – Four Basic Forces – Four Cardinal Directions – Four Gross Elements of Helium – 4 Atom, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Manifested Sign & Scientific Proof of Natural Magnetic Directions, Morning Show & Evening Show of the Sister Planet Venus, Einstein's Binary Pulsar, Periodic Motion of the Planet Uranus of each Zone, Newton's Visual Binaries, Manifested Region of the Prime Meridian, and Kepler's Minor Axis – Semi-major Axis – Major Axis etc. at school without Broken Bar. [Ref. of International Human Rights Laws – Pages – 36 to 53 of 'Anti-natural Framework – II & Its Consequences' published by Notion Press] [Specific References: International Convention on the Rights of the Child ('Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC) – UN

Universal Declaration of our Inalienable Human Rights [Specifically Articles – 1, 2, 3, 5, 6, 7, 8, 10, 12, 16, 18, 19, 22, 23, 26, 27, 28, and 30] and ‘A World Fit for Children’ adopted on UN General Assembly (2002) – International Treaties on our Inalienable Human Rights]

Our Uncompromising Constitutional Rights: National Education Policy (1986/2019), National Curriculum Framework (NCF – 2005), Right to Education Act (2009), The Protection of Human Rights Act (1993), The National Commission for Minorities Act (1992), The Commissions for Protection of Child Rights Act (2005), and Fundamental Rights {13 (1), (2), (3)} – Right to Equality (14) – Right to Freedom {19 (1) (a) and 21} – Right to Freedom of Religion {25 (1)} – Fundamental Duties {51A (c), (d), (e), (h), (g), (j), and (k)} mentioned in our Constitution of India have provided us Uncompromising Constitutional Rights for communicating [sharing & receiving] Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature [Neutral Science free from acceptance/denial of a Particular Community or Pure Sciences Unmixed with Man-made Technologies] such as Four Basic Fields – Four Basic Forces – Four Cardinal Directions – Four Gross Elements of Helium – 4 Atom, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Manifested Sign & Scientific Proof of Natural Magnetic Directions, Morning Show & Evening Show of the Sister Planet Venus, Einstein’s Binary Pulsar, Periodic Motion of the Planet Uranus of each Zone, Newton’s Visual Binaries, Manifested Region of the Prime Meridian, and Kepler’s Minor Axis – Semi-major Axis – Major Axis etc. openly & publicly at school. [*Ref. National Level Human Rights Laws – Pages – 36 to 54 of ‘Anti-natural Framework – I & Its Consequences’ published by Notion Press*]

No Legitimate Right: Finite rational beings [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any authority over ‘Equal & Opposite Apriori Framework’ of this Manifested Nature. Finite rational beings [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] are absolutely unable to convert ‘Equal & Opposite Apriori Framework’ of this Manifested Nature into ‘Universally Accepted Global Framework of UN’. So, finite rational beings [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any legitimate right to conceal ‘Equal & Opposite Apriori Framework’ of this Manifested Nature from us [people of this equal & opposite manifested nature, specifically 138 crore people of India] projecting & propagating ‘UN Universally Declared Global Framework (Global Standard) of this Equal & Opposite Manifested Nature or Anti-natural Framework of Natural Science or Self-contradictory & Paradoxical Foundation of Compulsory Education for All (Human Rights & Universal Education)’.

Concerned authorities from the local level to the United Nations [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any authority over searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Four Basic Fields – Four Basic Forces – Four Cardinal Directions – Four Gross Elements of Helium – 4 Atom, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Manifested Sign & Scientific Proof of Natural Magnetic Directions, Morning Show & Evening Show of the Sister Planet Venus, Einstein’s Binary Pulsar, Periodic Motion of the Planet Uranus of each Zone, Newton’s Visual Binaries, Manifested Region of the Prime Meridian, and Kepler’s Minor Axis – Semi-major Axis – Major Axis etc. Each & every individual endowed with reason & conscience is able to prove searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Set – B or Searched out Islam Phobia] on the basis of Necessary & Sufficient Conditions [Observation & Experiment in correspondence to Reality or Einstein’s Sciences] and Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules or Newton’s Laws] following Ultimate Scientific Method [Experimentum Cruxis & Crucial Instances] and Aristotle’s Dictum De Omni Et Nullo. In other words, common people [possessors of common sense or reason & conscience (sense of right & wrong)] and possessors of balanced good sense are able to recognize/confirm searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature and corresponding Purely Academic & Incontestable (Obviously True) Constitutional Activities of Jamir Ahmed Choudhury [an Academic Authority to the Govt.] bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India. So, concerned authorities from the local level to the United Nations [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any legitimate right to conceal searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature and corresponding Purely Academic & Incontestable (Obviously True) Constitutional Activities of Jamir Ahmed Choudhury [an Academic Authority to the Govt.] bearing Academic Ph. D. Registration No. 2491/14 under Assam University from people of this Equal & Opposite Manifested Nature [specifically 138 crore people of India] projecting Post Hoc Ergo Propter Hoc Legitimacy & Petitio Principii Mandates and propagating Mon Ki Baat [comments or opinions] on the searched out Inalienable Human Rights under grievance redress mechanism.

Time has only one dimension called succession. Concerned authorities [concerned ministers and respective authorities] from the local level to the United Nations [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any authority over our One Dimensional Time. So, concerned authorities [concern ministers and respective authorities] from the local level to the United Nations [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] do not have any legitimate right to spoil our one dimensional time projecting anti-natural framework of natural science [global framework of this equal & opposite manifested nature], propagating invented lies & introduced falsehoods [man-made natural sciences] of an anti-natural community referred by NCERT – India, preparing self-contradictory & paradoxical reading materials of compulsory education for all, spoiling sanctity of education & significance of scientific certainty, spoiling our inherent dignity & moral solidarity, spoiling our freedom of conscience & liberty of faith – belief – thought – expression – worship, spoiling holistic development of our

axiological aspects, spoiling the existential import of secularity & democracy, defaming sovereignty of our constitution, consciously violating so far established right to education & human rights, intentionally violating four foundational solidarity rights in Islam [Firm Faith, Practical Belief, Right Direction, and Appointed Days], misrepresenting international convention on the rights of the child, wrong interpreting UN universal declaration of our inalienable human rights, misrepresenting international covenants on our inalienable human rights, wrong interpreting international humanitarian laws, misusing all forms of media [including publication media], wrong interpreting 'Kitaaba bil-Haq', and persecuting our practical belief in the existential imports of infallible & unerring revelations, unalterable laws of nature, un-interfering natural mechanisms, manifested signs & scientific proofs, searched out un-contradicted facts of this equal & opposite manifested nature, science & constitution, scientific temperament & search for truth, fundamental duties & moral responsibilities, grievance redress mechanism & functioning of the govt., constitution & legitimacy, right & justice, truth & justice, and utilitarian liberation & common end. We are to remember that persecution is worse than killing.

Concrete Example of Self-evident Persecution: I am working as an Associate Professor in a NAAC Accredited 'A' Grade College. I have been teaching Laws of Thought, Criteria of Truth, Canons of Elimination, Fundamental Categories of Knowledge, Several Fallacies which often Vitiates Knowledge, Empirical and Rational Methods, Inductive & Deductive Methods, Cartesian Method and Cogito Ergo Sum, Conversational Method of Socrates and Dialectical Method of Hegel, Mill's Five Experimental Methods, Formal Grounds and Material Grounds of Scientific Certainty, Necessary & Sufficient Conditions [Uniform Guidelines] for Verification & Justification of Certain Knowledge [Scientific Findings], Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules] for Recognition & Confirmation of Unerring Knowledge [Universal & Necessary Knowledge or Academic Research Work], Ultimate Scientific Method [Experimentum Cruxis & Crucial Instances], and Aristotle's Dictum De Omni Et Nullo for a long period of time. It is certain like my existence as a finite rational being that there is no such criterion [parameter or scale or standard] on the basis of which searched out rival hypotheses [contradictories or alternatives] can be formally recognized as if good collection of conjectures well known in the academic community. However, Scientists of NASI formally recognized rival hypotheses [contradictories or alternatives] on behalf of the Ministry of Science & Technology, Govt. of India as if a good collection of conjectures of Jamir Ahmed Choudhury was well known in the academic community.

I have identified lacunae in the projected Global Standard [Anti-natural Parameter or Anti-natural Framework of Natural Science] of the UN. I have recognized Equal & Opposite Apriori Parameter [Equal & Opposite Apriori Framework of Natural Science] as Necessary Remedial Measure. I have identified several fallacies objectively present in the framework & curriculum of basic science prepared by NCERT/SCERT following universal acceptance of an anti-natural community [one global text & conspiracy curriculum of IBE – UNESCO]. I have searched out several Un-contradicted Facts of this Equal & Opposite Manifested Nature as Necessary Remedial Measures. So, my searched out scientific findings are called rival hypotheses. Search for Truth [**Scientific Temperament** mentioned in the Article – 51A (h) of our Constitution] categorically suggests search for the rival hypotheses [identified lacunae such as identified Set – A (UNO-Phobia) and searched out necessary remedial measures such as Set – B (Islam-Phobia)]. I have arranged my searched out findings following Experimentum Cruxis & Crucial Instances [Ultimate Scientific Method] and Aristotle's Dictum De Omni Et Nullo. I have explained my searched out academic activities following the Conversational Method of Socrates and Dialectical Method of Hegel. Consequently, you will find my pen-paper-pencil works as the dialectic of thesis – anti-thesis – synthesis. There was no pen-paper-pencil work [internationally published book] on Verifiable Framework & Justifiable Curriculum of Basic Science [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature] prior to the publication of my first book – 'Kitaaba Wal-Hikmata or Utility of One's Upright Logic – I'. I have placed a few significant findings on the equal & opposite cover page of my book. Finite rational beings [including the global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] are absolutely unable to face just the equal & opposite cover page of my first book. I got my first book self-published by Partridge Publishing on August 5, 2016 bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India. I had submitted hard copy of 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' to the Ministry of Science & Technology, Govt. of India on January 2, 2017 for verification – justification – confirmation – recognition of the searched out Verifiable Framework & Justifiable Curriculum of Basic Science [Equal & Opposite Apriori Framework of Natural Science and several Un-contradicted Facts of this Equal & Opposite Manifested Nature] and our Inalienable Human Rights [Solidified Solid Human Rights]. My petition was forwarded to our National Academy of Sciences, India [NASI] vide **Letter No. SR/MF/Z-05/2017/1 dated 25-01-2017 [Ref. Page – 406 of 'UNO's Contributions' published by Notion Press, 2020]**. Scientists of NASI failed to furnish authentic information regarding just 25 scientific issues [rival hypotheses or contradictories or alternatives] under RTI Act, 2005 [**Ref. Letter No. NAS/37/5/2016-017 dated 06/5/2017 (Pages – 428 to 430 of 'UNO's Contributions' published by Notion Press)**]. However, scientists of NASI formally recognized rival hypotheses [identified learning gaps and searched out necessary remedial measures] as a good collection of conjectures of Jamir Ahmed Choudhury was well known in the academic community vide **Letter No. NAS/39/5/2017-18 dated 17/5/2017 [Ref. Page – 434 of 'UNO's Contributions' published by Notion Press]**. Scientists of NASI did not reflect just on the equal & opposite cover page of my first book. They even did not reflect on the factual truth that they were examining academic activities of an academic authority to the govt. bearing Academic Ph. D. Registration under one of the Central Universities of India. So, scientists of NASI persecuted my practical belief in the existential imports of Science & Constitution, Scientific Temperament & Search for Truth, Fundamental Duties & Moral Responsibilities, Grievance Redress Mechanism & Functioning of the Govt., Constitution & Legitimacy, Right & Justice, and Truth & Justice. Now, Scientists of NASI in collaboration with Eminent Experts of Scientific Certainty of the entire World [including Global Scientific Community referred by NCERT – India] will prove the searched out Rival Hypotheses [Identified Set – A and searched out Set – B] as good collection of conjectures well known in the academic community from their suitable perspective/discipline. I shall remain thankful to Scientists of NASI and Eminent Experts of Scientific Certainty of this Equal & Opposite Manifested Nature forever for the same. We are to remember that scientific certainty

is not a democratic procedure. Scientific certainty does not depend on acceptance of the larger scientific community referred by DST or acceptance of the wider scientific community referred by NCERT or universal acceptance of the global scientific community referred by NCERT or comment of the eminent expert of scientific certainty referred by NASI. Scientific certainty exclusively depends on observation & experiment in correspondence to Reality [Ref. Page – 27 of our NCF – 2005].

Vera Causa [Real Cause] of our Causeless Sufferings [Concealment of Real and Projection & Propagation of Unreal as if Real]: People of this equal & opposite manifested nature are far away from Verifiable Framework & Justifiable Curriculum of Basic Science [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature] due to one equal & opposite game [concealment of real (conscious conspiracy) and projection & propagation of unreal as if real (manifest hypocrisy)] of the global scientific community referred by NCERT – India [UNO and its Special Agencies]. Muslims of the entire world are far away from ‘Kitaaba bil-Haq’ [Infallible & Unerring Guidance] and Four Foundational Solidarity Rights in Islam [Firm Faith, Practical Belief, Right Direction, and Appointed Days] due to one equal & opposite game [concealment of real (conscious conspiracy) and projection & propagation of unreal as if real (manifest hypocrisy)] of the global scientific community referred by NCERT – India [UNO and its Special Agencies]. At present there is no educational institution on the land where Vidya [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature or Verifiable Framework and Justifiable Curriculum of Basic Science] is being communicated [shared & received] as per ‘Science Education in correspondence to Reality’ mentioned in Page – 27 of our NCF – 2005, ‘Ensured Quality Education’ mentioned in Section – 29 of the RTE Act – 2009, ‘Necessary Humanistic Vision of Education’ mentioned in the Article – 29 of CRC, ‘A World Fit for Children’ adopted on UN General Assembly – 2002, ‘Human Rights & Universal Education’ mentioned on UNESCO’s Contributions, or ‘Quality Education’ mentioned in the Draft prepared for our National Education Policy - 2019. At present there is no Mosque [Masjiid] either in the Ground Stair [North America and South America] or in the Middle Stair [Africa, Asia, Australia, and Europe] toward Right Direction of Performing Prayer [Qibla] in resemblance with Kalamaallaahi [Unalterable Laws of Nature or Tawraat] and in correspondence with Aayaatillaahi [Marks of Manifest Truth or Injiil]. In brief, people of this equal & opposite manifested nature are the self-evident victims of just one equal & opposite game [concealment of real (conscious conspiracy) and projection & propagation of unreal as if real (manifest hypocrisy)] of the global scientific community referred by NCERT – India [UNO and its Special Agencies].

Global scientists have recognized Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature in resemblance with Kalamaallaahi [Words of Allah or Tawraat or Universal Major Premises or Vyapti or Synthetic Apriori Judgments or Unalterable Laws of Nature or Formal Grounds of Scientific Certainty or Newton’s Laws] and in correspondence with Aayaatillaahi [Signs of Allah or Marks of Manifest Truth or Injiil or Affirmative Minor Premises or Paksa-Dharmata or Particular Instances under Natural Circumstances or Einstein’s Sciences]. However, they have been consciously & intentionally concealing their searched out scientific findings in a separate sheet [insert symbol]. They have consciously & intentionally projected an anti-natural framework of natural science [global framework of this equal & opposite manifested nature or global standard]. They have invented several man-made mechanisms in resemblance with their projected global framework of this equal & opposite manifested nature. They have established their invented lies conducting seminars – conferences – workshops – refresher courses – orientation programs – conventions and projecting universal acceptance – unanimous agreement – mutual understanding – universal declaration – conspiracy policy – global policy – autonomy of global science – global rights – global sustainability – global village – global economy – globalization. They have introduced their invented lies within the framework & curriculum of education misusing all forms of media [including publication media] and providing financial support for free & compulsory anti-natural education for all [one global text & conspiracy curriculum of IBE – UNESCO]. Our cultured – civilized – intellectual – highly educated – honest – sincere authorities [concern ministers and respective authorities] and self-sensed epistemic persons [ahlil-kitaab] have not yet tried to recognize the basic difference between Science [Apriori Mechanism or Natural Mechanism] and Technology [Aposteriori Mechanism or Man-made Mechanism]. On the contrary, they have understood well established man-made mechanisms [Set – A or Identified UNO-Phobia] as if basic sciences and natural mechanisms [Set – B] searched out by an Indian Muslim bearing Academic Ph. D. Registration under one of the Central Universities of India as if good collection of conjectures well known in the academic community. It is certain like alteration of day & night in a day that the concerned authorities from the local level to the United Nations [including Islamic Scholars and Muslim Leaders] are absolutely unable to face just equal & opposite cover page of my first book. Following reference will manifest clearly the identifying marks of Cursed Human Persons [Possessors of Maya] and the Thread of their Mechanical Barbarism, Conscious Conspiracy & Manifest Hypocrisy, Scientific Terrorism and Black & White Activism, Cultured Terrorism & Civilized Activism, Intellectual Crime, International Crime, National Crime, Teleological Evidence Sorcery, Extreme Epistemic Persecution, and Nexus of Self-evident Plagiarisms since antiquity – **International Human Rights Law:** International human rights law lays down the obligations of Governments **to act in certain ways or to refrain from certain acts**, in order to promote and protect human rights and fundamental freedoms of individuals or groups. *Universal Declaration of Human Rights:* In 1948, two years after the assembly convened its inaugural session, it promulgated the Universal Declaration of Human Rights, which contained thirty articles outlining **global standards [*] for human rights**. A historic act, it proclaimed the “inherent dignity” and “equal and inalienable rights of all members of the human family.” As the chair of the UN Commission on Human Rights, U.S. First Lady Eleanor Roosevelt helped to draft and pass the declaration, saying that it “may well become the international Magna Carta for all men everywhere.”

Grievance Redress Mechanism: Grievance Redress Cell is not a cell of Mon Ki Baat [opinion or comment or suitable reply] of the concerned authority to the Govt. Grievance Redress Cell is the constitutional machinery of the Govt. that follows Sangh-bidhan Ki Baat. Constitutional remedy of a self-explanatory grievance under grievance redress mechanism will justify the proper functioning of the govt. Success of the concerned authority to the govt. to provide us constitutional remedy of a self-explanatory grievance under grievance redress mechanism will manifest **Justice**. Failure of the concerned authority to the govt. to provide us

constitutional remedy of a self-explanatory grievance under grievance redress mechanism will manifest **Injustice**. Absolute failure of the concerned authorities from the local level to the United Nations [including Islamic scholars and Muslim leaders] to provide us constitutional remedies [verifiable & justifiable solutions] of our self-explanatory grievances under grievance redress mechanism will manifest nothing but the domination of cultured terrorism – civilized activism – conscious conspiracy – manifest hypocrisy – intellectual crime – national crime – international crime – intentional crime – teleological evidence sorcery – extreme epistemic persecution – propagation of the nexus of self-evident plagiarisms – dictatorship under the umbrella of democracy – might is right – survival of the fittest [animal rights] over **‘Democracy & Constitution’**. Moreover, absolute failure of the concerned authorities from the local level to the United Nations to do **Justice** with verifiable contents & justifiable contexts of our self-explanatory grievance petitions will manifest clearly the dominion of **Injustice** [projected & propagated falsehood of oppressors – tyrants – dictators] over **Justice** [clear & distinct manifest truth]. Further, absolute failure of the concerned authorities from the local level to the United Nations to provide us recognition of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Uncompromising Constitutional Rights] will justify that we [people of this equal & opposite manifested nature] are self-evident victims of UNO’s Universal Violation of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Uncompromising Constitutional Rights] since antiquity **projecting UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and propagating Universal Acceptance of an Anti-natural Community** [Global Scientific Community referred by NCERT – India].

Experimentum Crusis & Crucial Instances: Placement of a self-explanatory grievance petition before the concerned authority to the govt. seeking constitutional remedies [authentic solutions or scientific solutions] of the searched out contradictions [rival hypotheses or alternatives in their exclusive senses] is called **experimentum crusis**. If an authority to the govt. fails to provide us constitutional remedies [authentic solutions] of $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$, then it will prove removing all doubts that the concerned authority to the govt. knows nothing about the framework & curriculum of basic mathematics. Such authority to the govt. will provide us nothing save a few vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies] as if constitutional remedies [authentic solutions] of $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$ under grievance redress mechanism projecting references of post hoc ergo propter hoc legitimacy & petitio principii mandates [Suitable Rules – Contrary Formalities – Contradictory Guidelines – Conspiracy Parameters]. **[Concrete Examples – ‘National Human Rights Commission, India’ (Pages – 265 to 298), UGC and NAAC (Pages – 492 to 510), ‘NCERT – India’ (Pages – 526 to 559), DST and NASI (Pages – 406 to 443), and MHRD (Pages – 444 to 491) of ‘UNO’s Contributions’ published by Notion Press, 2020]**

Comments [opinions or suitable replies or mon ki baat] of such an ignorant authority to the govt. the framework & curriculum of basic mathematics will **definitely lead Truth [Justice] toward Falsehood [Injustice]** persecuting our practical belief in the existential import of grievance redress mechanisms. Moreover, vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies] will manifest clearly the empty vessel [tabula rasa] of the eminent expert of Mathematics. So, vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies] provided in black & white by the possessors of tabula rasa [empty vessel] as eminent experts will serve as **crucial instances [Ref. Pages -248 to 569 of ‘UNO’s Contributions’ published by Notion Press and Pages – 422 to 507 of ‘Science & Constitution’ published by Notion Press]** on the basis of which possessors of common sense [ordinary citizens or common people] and possessors of balanced good sense [Respected Lawyers and Hon’ble Judges] are able to identify the vera causa [real cause or verifiable & justifiable cause] of our causeless sufferings since antiquity.

There are uncountable basic mathematics books published by the reputed national/international publishers. If cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] provide us black & white information that there is no record [black & white information] regarding $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$ i.e. framework & curriculum of basic mathematics, then it will prove removing all doubts that they [concerned authorities from the local level to the United Nations] have been uninterruptedly communicating with us their conjectures [comments or mon ki baat or opinions or suppositions] as if Framework & Curriculum of Basic Mathematics since antiquity. Do you [cultured – civilized – intellectual – highly educated authorities] justify that there is no information [black & white record] regarding $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$ i.e. Framework & Curriculum of Basic Mathematics?

Absolute failure of our cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] to provide us constitutional remedies [authentic solutions] of $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$ i.e. Framework & Curriculum of Basic Mathematics will prove removing all doubts that they [concerned authorities from the local level to the United Nations] were deprived of receiving Basic Mathematical Knowledge [Framework & Curriculum of Basic Mathematics] at Schools. So, they are self-evident victims of projected conjectures [opinions or comments or mon ki baat] and propagated self-contradictory & paradoxical knowledge.

Now, if our cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including global scientific community referred by NCERT – India and so-called Islamic scholars] do not take necessary steps for providing us constitutional remedies [authentic solutions] of $[(3 \times 3) = \text{_____} (6/9)]$ and $[(3+3) = \text{_____} (9/6)]$ i.e. Framework & Curriculum of Basic Mathematics, then it will manifest their conscious conspiracies with verifiable contents & justifiable contexts of our self-explanatory grievance petitions under grievance redress mechanism. It will also justify intentional violation of our Fundamental Rights [specifically Guaranteed Child Rights] persecuting our practical belief in the existential imports of Sanctity of Education – Significance of Scientific Certainty – Freedom of Conscience – Liberty of Thought – Scientific Temperament & Search for Truth – Fundamental Duties & Moral Responsibilities – Grievance Redress Mechanism & Functioning of the Government – Constitution & Legitimacy – Right & Justice – Truth & Justice – Utilitarian Liberation & Common End.

Similarly, if our cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] fail to provide us constitutional remedies [authentic solutions] of [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Framework & Curriculum of Basic Science, then it will prove removing all doubts that the concerned cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] **know nothing about Verifiable Framework & Justifiable Curriculum of Basic Science** [Apriori Science, Neutral Science, Natural Science, Positive Science, Primary Science, Independent Science, Pure Science, Infallible & Unerring Revelation, Objective Science, Common Science, or Natural Mechanism] [i.e. *'Pure Science Unmixed with Man-made Technologies'* (Pages – 601 to 639) of *'Science & Constitution'* published by Notion Press with ISBN: 978-1-64899-992-5 or Set – B (Pages – 49 to 86) of *'UNO's Contributions'* published by Notion Press or Set – B (Pages – 86 to 135) of *'United Nations vs. Human Rights'* published by Filzo Publishers] after having known much about Framework & Curriculum of Secondary Science [Aposteriori Science or Dependent Science or Science of a Particular Community (Global Scientific Community referred by NCERT – India) or Man-made Mechanism or Well Established Technology or Well Established Scientific Evidence or Digital Science or Normative Science] i.e. *'Set – A – UNO-Phobia'* [Ref. Set – A (Pages – 49 to 86) of *'UNO's Contributions'* published by Notion Press or Set – A (Pages – 86 to 135) of *'United Nations vs. Human Rights'* published by Filzo Publishers]. They will provide us nothing save a few vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies or mon ki baat] as if constitutional remedies [authentic solutions] of [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] [Ref. Scanned Formal Documents included in my internationally published books, specifically *'UNO's Contributions'* and *'Science & Constitution'* published by Notion Press]. Their black & white comments [opinions or suitable replies or mon ki baat] will **definitely lead Searched out Clear & Distinct Manifest Truth [Justice] toward Projected & Propagated Falsehood [Injustice]** persecuting our practical belief in the existential import of grievance redress mechanism and functioning of the government.

Moreover, vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies or mon ki baat] will manifest clearly the empty vessels [tabula rasa] of the concerned authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India]. So, vague – absurd – equivocal – fallacious – hypocritical – indefinite – inconsistent – unscientific – non-philosophical – illogical – illicit – illegitimate – unlawful – unconstitutional – self-contradictory sentences [opinions or comments or suitable replies or mon ki baat] provided in black & white by the possessors of tabula rasa [empty vessels] as concerned cultured – civilized – intellectual – highly educated – honest – sincere authorities from the local level to the United Nations [Ref. Pages – 248 to 569 of *'UNO's Contributions'* published by Notion Press and Pages – 93 to 570 of *'Science & Constitution'* published by Notion Press] will serve as **crucial instances [unerring witnesses or eye opening evidences or clear proofs or formal documents]** on the basis of which possessors of common sense [common people or ordinary citizens] and possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] are able to identify the vera causa [real cause or verifiable & justifiable cause] of our causeless sufferings since antiquity [specifically since 2016] i.e. projection of UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and propagation of Universal Acceptance of an Anti-natural Community [Global Scientific Community referred by NCERT – India].

More specifically, possessors of common sense and possessors of balanced good sense are able to identify on the basis of the references of more than 700 scanned formal documents included in *'UNO's Contributions'* and *'Science & Constitution'* published by Notion Press, 2020 that concealment of real such as Equal & Opposite Apriori Framework of this Manifested Nature [Verifiable Framework of Natural Science] and projection & propagation of unreal such as Global Framework of this Equal & Opposite Manifested Nature [Self-contradictory & Paradoxical Framework of Natural Science] as if real are the Vera Causa [Real Causes or Verifiable & Justifiable Causes] of human sufferings since antiquity. Vera Causa [Real Cause or Verifiable & Justifiable Cause] of our Causeless Sufferings has been termed as Maya in both Upanisad and Advaita Vedanta. **Maya has two functions** i.e. concealment of real such as Equal & Opposite Apriori Framework of this Manifested Nature [Conspiracy] and projection & propagation of unreal such as Global Standard as if real [Hypocrisy]. Now, **UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and Universal Acceptance of the Global Scientific Community referred by NCERT – India** will manifest clearly & distinctly the original faces of the possessors of Maya [Scientific Terrorists, Black & White Activists, Cultured Terrorists, Civilized Activists, Intellectual Criminals, Conscious Conspirators, Manifest Hypocrites, Teleological Evidence Sorcerers, Extreme Epistemic Persecutors, Propagators of the Nexus of

Self-evident Plagiarisms, Educated Idiots, Highly Qualified Frauds, Epistemic Liars, Falsehood Mongers, Traitors, Oppressors, Tyrants, or Dictators].

In this regard, competent academic authorities of NCERT – India have repeatedly provided us formal & authentic information that at present neutral science free from invented lies & introduced falsehoods [pure science unmixed with universal acceptance of an anti-natural community or infallible & unerring revelation] is not being taught at school as framework & curriculum of basic science. On the contrary, at present science of a particular community [global scientific community] vitiated by all established fallacies [specifically subjective self-contradictions & objective paradoxes] is being taught at school as if framework & curriculum of basic science and compulsory education for all [sarva siksha] consciously & intentionally violating our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically searched out Four Foundational Religious Rights of my Family Members) and Uncompromising Constitutional Rights (specifically Guaranteed Child Rights)]. So, if concerned authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] as well as possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] of the entire world desire to go either contrary or contradictory to the formal & authentic information repeatedly provided by the competent academic authorities of NCERT – India and more than 1000 formal documents [*specifically Pages – 248 to 569 of 'UNO's Contributions' published by Notion Press and Pages – 93 to 570 of 'Science & Constitution' published by Notion Press*], then they will have to do nothing save to prove 'Global Framework' of this Equal & Opposite Manifested Nature. Moreover, they will recover our past – our past compulsory prayer – our past hajj – our past Idd for the sake of Truth & Justice.

There are uncountable science books and science journals. However, concerned authorities to the Govt. have provided us black & white information under RTI Act – 2005 that there is no information [black & white record] regarding [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Verifiable & Justifiable Framework of Basic Science [*Ref. 'No Information' (Pages – 166 to 378) of 'Science & Constitution' published by Notion Press with ISBN: 978-1-64899-992-5*]. So, it is self-evident that cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations [including global scientific community referred by NCERT – India and so-called Islamic scholars] have been uninterruptedly communicating with us their conjectures [comments or mon ki baat or opinions or suppositions] as if Framework & Curriculum of Basic Science [Natural Science or Neutral Science or Infallible & Unerring Revelation] and Compulsory Education for All [Human Rights & Universal Education]. Consequently, people of this equal & opposite manifested nature [irrespective of class, caste, ism, religion, state, or nation] are far away from Verifiable Framework & Justifiable Curriculum of Basic Science and my family members are far away from Right Direction of Performing Prayer [Qibla]. Do you [cultured – civilized – intellectual – highly educated authorities from the local level to the United Nations] justify that there is no information [black & white record] regarding [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Framework & Curriculum of Basic Science? Do you [possessors of common sense and possessors of balanced good sense] believe that there is no information [black & white record] regarding [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Framework & Curriculum of Basic Science?

Now, concerned authorities from the local level to the United Nations [including so-called Islamic Scholars and global scientific community referred by NCERT - India] are absolutely unable to justify their activities since antiquity as natural & humanistic – social & cultural – scientific & philosophical – verifiable & justifiable – clear & distinct – logical & moral – legitimate & constitutional. They are also absolutely unable to justify their treatments with searched out Verifiable Framework & Justifiable Curriculum of Basic Science [Purely Academic & Undeniable Constitutional Activities of an Academic Authority to the Govt. bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India] and corresponding Verifiable Contents & Justifiable Contexts of more than 3000 Self-explanatory Grievance Petitions of Self-evident Victims [Family Members of Jamir Ahmed Choudhury] (since 2016) as natural & humanistic – social & cultural – scientific & philosophical – verifiable & justifiable – clear & distinct – logical & moral – legitimate & constitutional from their suitable perspective/discipline producing references of so far established National Level Humanitarian Laws / International Level Humanitarian Laws.

Absolute failure of the concerned authorities from the local level to the United Nations [including so-called Islamic Scholars and Global Scientific Community referred by NCERT - India] to provide us constitutional remedies [authentic solutions] of [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Verifiable & Justifiable Framework of Natural Science [*Ref. Pages – 248 to 569 of 'UNO's Contributions' published by Notion Press and Pages – 93 to 570 of 'Science & Constitution' published by Notion Press*] has been proving removing all doubts that they [concerned authorities from the local level to the United Nations] were deprived of receiving Verifiable Framework & Justifiable Curriculum of Basic Scientific Knowledge at Schools. So, they are self-evident victims of UNO's Universal Violation of their Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Uncompromising Constitutional Rights] since antiquity projecting UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and propagating Universal Acceptance of an Anti-natural Community [Global Scientific Community referred by NCERT – India].

Concerned authorities from the local level to the United Nations did not take necessary steps for providing us constitutional remedies [authentic solutions] of [(Global Framework / Equal & Opposite) _____ is the Apriori Framework of Natural Science] and [Universe is a _____ (Solar System / Sirius Binary System)] i.e. Verifiable & Justifiable Framework of

Natural Science. So, conscious conspiracies of the concerned authorities from the local level to the United Nations against searched out Verifiable Framework & Justifiable Curriculum of Basic Science [Purely Academic & Undeniable Constitutional Activities of an Academic Authority to the Govt. bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India] and corresponding Verifiable Contents & Justifiable Contexts of more than 3000 Self-explanatory Grievance Petitions of Self-evident Victims [Family Members of Jamir Ahmed Choudhury] under Grievance Redress Mechanism are crystal clear like Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon [Gravitational Field] of the Upright Rectangular Universe [Helim-4 Atom]. **[Ref. my thirteen internationally published books, five articles, verifiable contents & justifiable contexts of our more than 3000 self-explanatory grievance petitions under grievance redress mechanism, and more than 1000 black & white documents received from the concerned authorities to the Govt.]**

Self-appraisal or Self-evaluation: Each & every individual endowed with reason & conscience is sincerely requested to make a self-appraisal [self-evaluation] report of his/her acquired basic scientific knowledge [class – II standard compulsory education for all] after recognition & confirmation of one of the contradictory sets [rival hypotheses] as Verifiable Framework & Justifiable Curriculum of Basic Science and Human Rights & Universal Education [Sarva Siksha] on the basis of Necessary & Sufficient Conditions [Uniform Guidelines or Set Parameters or ‘Observation & Experiment in correspondence to Reality’ mentioned Page – 27 of our NCF - 2005] and Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules or Formal Grounds of Scientific Certainty (Principle of the Uniformity of Nature and Law of Causation) or Newton’s Laws].

Uniform Report: Concerned authorities from the local level to the United Nations are straightforwardly requested to prepare one Uniform Report of the Imparted Compulsory Education for All [Human Rights & Universal Education or Sarva Siksha] since antiquity after recognition & confirmation of one of the contradictory sets [either Set – A or Set – B] as Verifiable Framework & Justifiable Curriculum of Basic Science [Apriori Science, Natural Science, Neutral Science, Infallible & Unerring Revelation, Primary Science, Positive Science, Objective Science, Independent Science, Common Science, Pure Science Unmixed with Man-made Technology, Universal & Necessary Knowledge, or Compulsory Education for All (Sarva Siksha)] as per ‘Science Education in correspondence to Reality’ mentioned in Page – 27 of our National Curriculum Framework – 2005, ‘Ensured Quality Education’ mentioned in Section – 29 of the RTE Act – 2009, ‘Necessary Humanistic Vision of Education’ mentioned in the Article – 29 of CRC, ‘A World Fit for Children’ adopted on UN General Assembly – 2002, ‘Human Rights & Universal Education’ mentioned on UNESCO’s Contributions, or ‘Quality Education’ mentioned in the Draft prepared for our National Educational Policy – 2019. Verifiable & Justifiable Uniform Report of our Acquired & Possessed Basic Scientific Knowledge will manifest clearly & distinctly nothing but our real achievement in the field of Basic Science Education. It is certain like Alteration of Day & Night in a Day that the Verifiable & Justifiable Uniform Report of our Acquired & Possessed Basic Scientific Knowledge will manifest clearly & distinctly the Vera Causa [Real Cause] of our causeless sufferings since antiquity. More specifically, Verifiable & Justifiable Uniform Report of our Acquired & Possessed Basic Scientific Knowledge will manifest clearly & distinctly that we [specifically 138 crore people of India] are the self-evident victims of UNO’s **Universal Violation of our Inalienable Human Rights** [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Religious Rights of my Family Members) and Uncompromising Constitutional Rights (specifically Guaranteed Rights of Indian Muslim Children)] since antiquity **projecting UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and propagating Universal Acceptance of an Anti-natural Community** [Global Scientific Community referred by NCERT – India or Set – B (Identified UNO-Phobia)] **Necessary & Sufficient Conditions [Uniform Guidelines]:** “2.5.3 – Forms of Understanding - The Sciences, like the systems of mathematics, have their own concepts, often interconnected through theories, and are attempts to describe and explain the natural world. Concepts include atom, magnetic field, cell, and neuron. Scientific inquiry involves observation and experimentation to validate predictions made by theory (hypotheses), which may be aided by instruments and controls. Formalisation into theory and model building can sometimes involve mathematics, but it is only with reference to observations and not to mathematical accuracy that truth is tested. The attempt is to furnish a narrative that in some way ‘corresponds’ to reality.” (*National Curriculum Framework, 2005, Page – 27, NCERT - India*)

In brief, scientific certainty is a global democratic procedure.	Scientific certainty exclusively depends on verification [observation and experiment] in correspondence to Reality [Affirmative Minor Premises or Paksa-Dharmata or Injil or Particular Instances under Natural Circumstances or Einstein's Sciences] [Ref. Page – 27 of our NCF – 2005, NCERT - India] and justification in resemblance with Two Formal Grounds [Principle of the Uniformity of Nature and Law of Causation or Universal Major Premises or Vyapti or Synthetic Apriori Judgments or Tawraat or Unalterable Laws of Nature or Newton's Laws].
11	We are to frame scientific hypothesis such as	We are to frame scientific hypothesis such as Uranian

	Copernican Hypothesis going either contrary or contradictory to Newton's Laws [Unalterable Laws of Nature].	System in resemblance with Un-alterable Laws of Nature [Two Formal Grounds of Scientific Certainty or Newton's Laws].
12	Copernican Hypothesis resembles with Unalterable Laws of Nature [Newton's Laws]. So, Copernican Hypothesis is a Verifiable Science. We have legitimate right to propagate Copernican Hypothesis within the Framework & Curriculum of Human Rights & Universal Education, Seminars, Workshops, Research Works, and Pen-Paper-Pencil Works.	Copernican Hypothesis is absolutely contradictory to Equal & Opposite Apriori Framework of Natural Science and Newton's Third Law – 'Equal & Opposite'. Moreover, Copernican Hypothesis is vitiated by the Fallacy of Universal Mal-observation. We do not have any legitimate right to propagate fallacious science such as Copernican Hypothesis within the Framework & Curriculum of Human Rights & Universal Education, Seminars, Workshops, Research Works, and Pen-Paper-Pencil Works spoiling sanctity of education & significance of scientific certainty and violating UN Universal Declaration of our Inalienable Human Rights.

14	Kepler's Elliptical Axis is a verifiable science.	Kepler's Elliptical Axis is vitiated by the fallacy of self-contradiction & paradox.
15	Nine Moving & Running Global Exo-Planets are Verifiable & Justifiable Natural Sciences.	Nine Moving & Running Global Exo-Planets are vitiated by all established fallacies [specifically fallacy of non-observation and fallacy of characteristic imperfection].
16	It is our fundamental duty & moral responsibility to propagate Copernican Universal Mal-observation, Ptolemy's Hypothesis, Kepler's Elliptical Axis, and Nine Moving & Running Global Exo-Planets openly & publicly at schools, seminars, workshops, research works, and pen-paper-pencil works.	It is our fundamental duty & moral responsibility to erase Copernican Universal Mal-observation, Ptolemy's Hypothesis, Kepler's Elliptical Axis, and Nine Moving & Running Global Exo-Planets from framework & curriculum of education, seminars, workshops, research works, and pen-paper-pencil works.

56	Sirius Binary System [Binary Star System or Sirius A and White Dwarf Companion Sirius B or Samawaati wal-Arz] is nothing but conjecture of an uncultured & uncivilized Indian Muslim well known in the academic community as per evaluation report provided by NASI [The National Academy of Sciences, India] vide Letter No. NAS/36/5/2017-18 dated 17 – 05 – 2017. Consequently, searched out Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, and Solar System do not come under the domain of the functioning of the Govt. of India [Ref. Universe is the Ultimate Substratum [Container] of West Horizon [White Dwarf Companion Sirius B or Samawaat or Strong Field] and East Horizon [Sirius A or Arz or Gravitational Field]. So, Universe is a Sirius Binary System [Binary Star System or Samawaati wal-Arz]. Sirius Binary System is not an invented lie of an uncultured & uncivilized Indian Muslim [an academic authority to the govt. or a teacher or a parent or an ordinary Indian citizen or an academic research scholar under one of the Central Universities of India]. Global Scientists have recognized Sirius Binary System [Binary Star System or Sirius A and White Dwarf Companion Sirius B or Gravitational Field and Strong Field or East Horizon and West Horizon]. I have just recognized & confirmed the Separate Sheet of UNO and its Special Agencies under Supervision & Guidance of the Epistemic Uniqueness.
57	Sister Planet Venus is an exoplanet beyond this equal & opposite manifested nature. Only global scientists [specifically scientific terrorists of NASA] are able to perceive Sister Planet Venus.	Global Scientists have recognized the so-called Sun [Tarash-Shamsa or She-camel of Allah or Sister of Haruun supplied with Sustenance] as Sister Planet Venus . They have termed the Sister Planet Venus [so-called Sun] as BULLET. Each day we perceive Sister Planet Venus [so-called Sun or Tarash-Shamsa].

In brief, so-called Sun [Tarash-Shamsa or Sister Planet Venus or She-camel of Allah or Appointed Daylight] is the Partner of the Uniqueness [Ahad] with respect to East and West. More specifically, we are to believe that there are several Originators of East and West.	So-called Sun [Tarash-Shamsa or Sister Planet Venus or She-camel of Allah or Appointed Daylight] is the Scientific Proof of North Pole [Left of the Prime Meridian (Appointed Kaba) or Shimal or Magnetic Field or Haiyalas-Swalaah or Northern Hemisphere or E-Point or Aphelion or Natural North Direction] and South Pole [Right of the Prime Meridian (Appointed Kaba) or Yamin or Weak Field or Haiyalal-Falaah or Southern Hemisphere or T-Point or Perihelion or Natural South Direction]. Say: East and West belong to none but Allah - “Qul lil-laahil-Mas-riq wal-Mag-rib” [Verse – 142 of Sura - An-tazbahuu Baqarah] and “Wa lillaahil- Mashriq wal-Magrib” – And East and West belong to none but Allah ----- [Sura (1) – An-tazbahuu Baqarah – Verses – 113 to 115]. Firm Faith in Unique Originator of East and West is called Iman. ‘Kitaaba bil-Haq’ has been prohibiting us from ascribing Partner to Allah with respect to East and West.

So, setting direction of Light [Electromagnetic Wave or so-called Sun or Morning Show of the Sister Planet Venus or Tarash-Shamsa] for the Eastern Daylight Time Zone and rising direction of Light [Electroweak Force or so-called Sun or Evening Show of the Sister Planet Venus or Tarash-Shamsa] for the Western Daylight Time Zone represent South Pole [Setting – Turning – Rising Point or T-Point or Right of the Prime Meridian or Yamin or Weak Field or Perihelion or Natural South].</p>

88	There is sole Sun [Sister Planet Venus or Tarash-Shamsa]. There is sole Neil Arm Strong's visited Moon [NASA's Moon] instead of Newton's Visual Binaries [Two Moons or Two-fold Mercy] for the Equal & Opposite West Zone and East Zone. So, Eclipse is possible.	There is sole Sun [Sister Planet Venus or Tarash-Shamsa]. Now, if there is sole Neil Arm Strong's visited Moon [NASA's Moon] instead of Newton's Visual Binaries [Two Moons or Two-fold Mercy] for the Equal & Opposite West Zone and East Zone, then it is not possible to perceive both the so-called Sun [Sister Planet Venus] and Neil Arm Strong's visited sole Moon [NASA's Moon] together during broad daylight in the same Zone. So, Eclipse is not possible. Solar Eclipse and Lunar Eclipse have been scientifically proving removing all doubts that there are Two Moons [Two-fold Mercy or Visual Binaries] for the Equal & Opposite West Zone and East Zone.
89	Planet Mercury is a running Global Planet beyond this equal & opposite manifested nature. Global scientists can perceive size & colour of their psyche. So, they are able to perceive Planet Mercury.	Planet Mercury represents Dot Operator of UNO [~sth between Two-fold Mercy and a Light or commonly perceivable white Moon of each Zone and so-called Sun]. Mercury is gravitationally locked and has no reflection. Mercury appears once in every two Mercurial Years i.e. equal & opposite Lunar Year and Calendar Year. The appearance of Mercury is called Lay-Latul-Qadr. Periodic motion of the commonly perceivable white Moon of each Zone [Newton's Visual Binaries or Two-fold Mercy] and the so-called Sun are the manifested signs of Mercurial System [Natural Magnetism & Uranian System or Niche or Manifested Trinity or Nuurun Alaa Nuur].
90	Planet Neptune is a Moving Global Exoplanet. Only global scientists are able to perceive Exoplanet Planet Neptune.	Planet Neptune represents Earth's Night Sky [Muddassir or periodic motion of the Non-luminous Moon of each Zone]. Planet Neptune [Muddassir] is enveloped. So, Planet Neptune is not visible to the unaided eye. Planet Neptune is subject to Gravitational Perturbation.
The Uranian system has a unique configuration among those of the planets because its axis of rotation is tilted sideways, nearly into the plane of its revolution about the Sun. Its north and south poles therefore lie where most other planets have their equators – Ref. Science		
Comments of NASA on Chandrayaan2 – NASA: Space is hard. We commend @ISRO's attempt to land their #Chandrayaan2 mission on the Moon's South Pole . You have inspired us with your journey and look forward to future opportunities to explore our solar system together.		

Expectations: 25 rival hypotheses [scientific issues or contradictories] related to Verifiable Framework & Justifiable Curriculum of Pure Science were placed before respective PIO of NASI seeking authentic information under RTI Act – 2005. Respective PIO failed to furnish authentic information regarding Verifiable Framework & Justifiable Curriculum of Pure Science [Ref. Letter No. NAS/37/5/2016-017 dated May 16, 2017 (Pages – 428 to 430 of 'UNO's Contributions' published by Notion Press)]. Subsequently, my daughter Jakiyah Farheen placed 90 rival hypotheses [scientific issues or contradictories] related to Verifiable Framework & Justifiable Curriculum of Pure Science seeking constitutional remedies [authentic solutions] as per our NCF – 2005 and RTE Act – 2009 under grievance redress mechanism. Respective PIO of NASI furnished following information under RTI Act – 2005 regarding the status of the self-explanatory grievance petition of my daughter Jakiyah Farheen vide **Letter No.**

NAS/221/9/18-19 dated September 7, 2018 [Ref. Page – 432 of ‘UNO’s Contributions’ published by Notion Press] – “Almost 4-5 months will be required to provide you the comments of the experts on your write-ups.”

Concerned authorities of NASI failed to redress the self-explanatory grievance petition of my daughter Jakiyah Farheen providing her constitutional remedies [authentic solutions or scientific solutions] of 90 rival hypotheses [contradictories or scientific issues] related to Verifiable Framework & Justifiable Curriculum of Pure Science under Grievance Redress Mechanism. So, my daughter placed RTI Application under RTI Act – 2005 on April 16, 2020 seeking information regarding the status her self-explanatory grievance petition. Now, respective PIO of National Academy of Sciences, India [NASI] has furnished following information under RTI Act – 2005 with *Reference No. NAOSC/R/E/20/00004 [Page – 433 of ‘UNO’s Contributions’ published by Notion Press]* – “This is with kind reference to your request [under RTI Act) regarding scientific solutions of 90 rival hypothesis, received on April 16th, 2020 through RTI-MIS with reference no. NAOSC/R/E/20/00004.

Your aforesaid hypothesis has been sent to the two experts but till date, we have not received their comments. As the Academy depends on the views of the experts (who are honorary), therefore, we have no option but to send reminders or nominate other experts. Reminders were sent; and once again we are sending reminders.

As per policy of the Academy, the expert’s name(s) are not disclosed (as informed to the CIC also in another case). Your case is being dealt in the Academy by the undersigned and Dr. Niraj Kumar, Executive Secretary, NASI. We will try to get the response from the experts at the earliest possible; if not, then another set of experts would be nominated for the same.”

Hypothetical Imperatives: If an individual [authority] tries to prohibit us from communicating [sharing & receiving] searched out Set – B [Verifiable Certain Knowledge (Science) and Justifiable Valid Knowledge (Philosophy) or Verifiable Framework & Justifiable Curriculum of Natural Science or Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature], then he/she will provide us constitutional remedies [authentic solutions] of the above placed 90 scientific issues [rival hypotheses or contradictories] as per ‘Science Education in correspondence to Reality’ mentioned in Page – 27 of our NCF – 2005, ‘Ensured Quality Education’ mentioned in Section – 29 of the RTE Act – 2009, ‘Necessary Humanistic Vision of Education’ mentioned in the Article – 29 of CRC, and ‘A World Fit for Children’ adopted on UN General Assembly – 2002.

Success of NASI will be able to protect searched out Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Uncompromising Constitutional Rights] of the people of this equal & opposite manifested nature from UNO’s Universal Violations of our Inalienable Human Rights since antiquity projecting UN Universal Declaration of Thirty Articles outlining Anti-natural Parameters [Global Standards] for Human Rights and propagating Universal Acceptance of an Anti-natural Community [Global Scientific Community referred by NCERT – India]. Failure of NASI will lead the Constitutional Game toward Hon’ble Supreme Court of India seeking protection of our Fundamental Rights [including Un-interfering & Inviolable Religious Rights of my Family Members and Guaranteed Right of my Children] under Article – 32 of our Constitution of India.

Justified Demands: It is an impossible task before finite rational beings [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] to prove Set – A [Identified UNO-Phobia or UN Universal Declaration of Global Standards and Universal Acceptance of the Global Scientific Community referred by NCERT - India] as Verifiable Framework & Justifiable Curriculum of Natural Science. It is also an impossible task before finite rational beings [including global scientific community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] to reject the searched out Set – B [Islam-Phobia or Searched out Infallible & Unerring Revelations and corresponding Inalienable Human Rights] identifying lacunae in the logical thread [equal & opposite apriori framework of natural science] and proving fallacies in the searched out natural sciences [un-contradicted facts of this equal & opposite manifested nature]. So, concerned authorities from the local level to the United Nations [Global Scientific Community referred by NCERT – India and eminent experts of scientific certainty referred by NASI] will recover our past, our past compulsory prayer, our past hajj, and our past idd for the sake of the existential imports of Clear & Distinct Manifest Truth and UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Religious Rights of my Family Members) and Uncompromising Constitutional Rights (specifically Guaranteed Rights of my Children)].
