Center for Social Services, Pollachi, Tamilnadu

### ABSTRACT

*My home place is a small village in Tamil Nadu State, Coimbatore District, and Pollachi Taluk. The local administration of the Kanjampatti Panchayat Board contains four villages, namely, Kanjampatti, K.Nagoor, Ammegoundanur, and Nambiamuthur. There were no bank facilities until 1987. I wrote to the then Prime Minister of India and the Honorable Prime Minister ordered to open a bank branch directing the Reserve Bank of India at Kanjampatti. The bank is serving the mass of the surrounding area very well. When the bank was opened in 1987, he accompanied the bank manager to going door to door and canvassed for the SB account and also creating awareness about savings for them*

**Keywords:** Social Services, Primary Health Center, Elementary School

### 1. MY SOCIAL SERVICES

The following achievements are due to my efforts:

- 1) My home place is a small village in Tamil Nadu State, Coimbatore District, and Pollachi Taluk. The local administration of Kanjampatti Panchayat Board contains four villages, namely, Kanjampatti, K.Nagoor, Ammegoundanur and Nambiamuthur. There were no bank facilities until 1987. I wrote to the then Prime Minister of India and Honorable Prime Minister ordered to open a bank branch directing the Reserve Bank of India at Kanjampatti. The bank is serving the mass of surrounding area very well. When the bank was opened in 1987, he accompanied the bank manager to going door to door and canvassed for the SB account and also creating awareness about savings to them.
- 2) For the period of 1988 to 1989, I have worked for the opening and functioning of Primary Health center at Kanjampatti. Nearly more than thirty villages are getting benefits from this medical clinic.
- 3) This clinic has been upgraded in 2014 with 30 bed facilities with 5 qualified medical doctors. Mobile doctoral services are also available. This was performed by spending 3.35 crores rupees.
- 4) Our family members have donated three acres of land for hospital constructions. [The forced market value is two cores Indian rupees. And the government share of ten thousand rupees was paid from his pocket.
- 5) In 1993, my hard efforts yielded the up gradation of higher elementary school to high school in Kanjampatti. Additional school buildings with computer labs. Were also formed
- 6) With the support of public and my own contribution, one acre of land was bought for playground in 1998. [The forced market value is fifty lacks Indian rupees.
- 7) In 2012, the above said high school was upgraded to higher secondary school by my efforts. All the infrastructures were also made available. Since the people demanded for the introduction of English medium of instruction, I talked to the authorities and now both the mother tongue Tamil and English medium of instructions are taught in the said school.
- 8) In 2000, I have donated five cents of my land where the good library is functioning now. The infrastructures were met by his own monies. The current market value of this library land is 7
- 9) lacs rupees. 30 donors were put to serve for this library by each donating a sum of thousand rupees.
- 10) In 2005, Siddha branch in the above mentioned public hospital was formed by my prolonged efforts. Currently, this Branch is attracting the surrounding talks also. For the construction of a building for Siddha medicine branch, a sum of rupees five lacks was applied for and obtained from MLA relief fund. The rotary club donated a sum of rupees 50 thousand to construct the front elevator for the siddha medicine building.
- 11) In 1997, with the governmental support, I helped for the up gradation of veterinary hospital in Kanjampatti. Nearly more than twenty villages are getting veterinary medical support.
- 12) I have approached Presitha service Society and Tamil Nadu government for the construction of four hundred houses which were given out freely to the homeless in the period 1987 – 1991.
- 13) In 1995, a community hall for conducting various functions for the public was constructed by government. This happened solely by my own efforts.
- 14) During the period 1987 – 2001, Tamil Nadu Water Drainage Board arranged for water supply to the above said villages. I have labored a lot for this drinking water facility for the people.

- 15) During the period 1986- 2006, ten artificial lakes were formed in our area to reserve rain falls for later agricultural usages. I have worked very hard for the successful implementation of this project. This project was carried out by Tamil nadu agricultural engineering department, Coimbatore
- 16) The EACH ONE CATCH ONE REST ROOM was introduced in the above said four villages. Now these villages are availing this program. I had to avoid even my own business to allot time for this most valuable project.
- 17) Over the last 40 years, I have helped nearly 400 students to get admission in schools, colleges and universities.
- 18) Over the last 40 years, I have helped nearly 120 unemployed youth to get good jobs at various institutions and organizations.
- 19) Over the last 10 years, I have helped nearly 50 students to get bank loans for their studies.
- 20) I have gathered 78 donors and they have donated INR 78000 for the advancement of our school at Kanjampatti.
- 21) I have approached the local Lion's Club and got a donation of 68000 INR for the construction of school buildings.
- 22) I have arranged for the inauguration of Video Conference facility in Kanjampatti School. The then President of India, Honorable APJ Abdul Kalam initiated this facility in 2006.
- 23) With my efforts, two ankanwadi [Nursery Schools] at Ammegoundanur and Nambiamuthur (Kanjampatti Panchayat Board) were opened and currently they are functioning very well.
- 24) In 1980, an elementary school was opened by my sole efforts. The students and parents are much benefited. This school functions miraculously.
- 25) Since I am one of the members of Sarva Siksa Abiyan, [SSA] it was possible for me to get elementary schools at the other Panchayat Board namely at Balaam Nallur village,
- 26) Under SSA grade system, I helped for the up gradation of five more elementary schools into middle schools.
- 27) The Singanallur middle school was up graded to High school with my advice and counseling. For more details of my social service and activities, kindly look at the following web-sites
- 28) Malayandipattinam middle school was also upgraded into middle school by my guidelines.
- 29) The middle school at Maakkinnampatti middle school was up graded into high school. I have rendered my counselling for this educational task.
- 30) I have helped the elected local body members for the up gradation of Samathur high school into higher secondary school.
- 31) I took much more efforts for the up gradation of Kolarpatti Primary Health Center into Pollachi Taluk Hospital.
- 32) I have prayed the governmental authorities for the inauguration and functioning of a new primary health center at Samathur village. Presently, this hospital is serving the people very well.
- 33) I have recommended the governmental authorities and the concerned minister for the inauguration of veterinary sub- center at Unjavelampatti village, near Pollachi.
- 34) The office building of Kanjampatti Panchayat Board was constructed in 1989 by my efforts.
- 35) The Village administrative Office [VAO] was constructed by my efforts in 2002.
- 36) The office of ration shops was erected by my efforts in 1997
- 37) Social Community marriage Hall was erected by my efforts in 1995
- 38) The go down of Kasipattinam Agricultural co-operative Bank was constructed by my efforts.
- 39) Kanjampatti Panchayat Milk Producers Society was inaugurated by my efforts and currently it is functioning well.
- 40) The women self-welfare group office meeting hall and industrial training centers were constructed by my efforts.
- 41) English language laboratory was formed by my efforts at Kanjampatti Higher Secondary school.
- 42) The Tamil Nadu State Parent Teachers award was granted to me through the state parent teachers association by the minister for education.
- 43) I used to sponsor medals to the first come out athletics and sport students every year for we had donated the land of one acre for the school which I would like to bring to your kind knowledge.
- 44) An auditorium hall for the school was also constructed by us.
- 45) With the help of the parent teachers association and the staff the school got 100% in 10<sup>th</sup> standard and 99% in + 2 in the last academic year. This happened due to the efforts and guidelines of Sri S. Soundararajan, the president of parent teachers association.
- 46) From the MLA's development fund, a sum of rupees ten lacs was allotted for the purchase of desks and benches for the class rooms. Also, 12 computers and relevant accessories worth rupees 3.60 lacs were got with the efforts taken by Sri Soundararajan.
- 47) Sri Sivasamy Soundararajan approached the management of Dr. Mahalingam College of Engineering & Technology to contribute a sum of rupees of sixty thousand for the purchase of drinking water purifiers at the school which was done by the management.
- 48) Under the national bank for agriculture and rural development scheme fund, 14 class rooms in the three storied building was constructed worth about one crore rupees.
- 49) The Lion's club, it's the then [1999-2000] international president Mr. Jem Irvine appreciating the social services done by Sri Sivasamy Soundararajan issued a cheque of rupees sixty eight thousand for the welfare and development which was issued to the district collector of Coimbatore used for the school for the construction of school building under [ We for Ourselves scheme]
- 50) On the efforts taken by Sri Sivasamy Soundararajan, 2.6 acres were acquired by the government and was distributed 63 pattas for the homeless Adi Dravidar at Kanjamaptti. Also, in the nearby tenant village K. Nagoor, after acquiring 3 acres of land and 98 pattas were issued to the homeless
- 51) Sri S.
